Please observe our customs and traditions

- Dress Code:

Men: Collared shirts or mock turtlenecks, slacks or shorts. Shorts are to be no more than one inch above the knee. Jeans and other denim clothing may be worn while dining in the clubhouse.

Women: Appropriate collared tops, slacks, skirts, and shorts.

Leggings are not permitted on the golf course unless covered by slacks, skirts or shorts.

(Gentlemen are required to remove their hats on porches and in the clubhouse. When wearing a hat, please position it bill forward.)

- **Please use the locker room to change your shoes and clothes.**
- Cell phone conversation is not permitted on the course, practice facility, or in the clubhouse, except in these designated areas. Text and email is permissible if audible alerts are turned off.

- Range Regulations:

North Tee (near Clubhouse) is for pre-round warm-up only.

South Tee is for member-only practice and lessons.

- HazelTine's strong preference is that players walk the course. We have a strong caddie program; however, push carts are complimentary to members and their guests. If you require a golf cart, your host will make the necessary arrangements. At no time should carts be driven closer than 30 feet from greens, bunkers, and tees, and **in no case** may they be taken on the 16th fairway.
- Members and guests are expected to play a round of golf in 4 hours 10 minutes or less. Our culture embraces ready golf, pick up if you're out of the hole and putt continuously when appropriate.
- If your group is approached by a member of the professional golf staff about pace of play, please do whatever is necessary to keep up with the group in front of you.

Your cooperation is greatly appreciated. Thank you
